A group of children and adults are gathered around a large, flat rock outdoors. A woman in an orange and teal jacket is kneeling on the right, pointing at a book or map lying on the rock. Several children are sitting or standing around the rock, looking at the book. One child in a green hooded jacket is smiling broadly at the camera. Another child in a grey hoodie with yellow stars is standing in the background. The setting appears to be a natural area with grass and rocks.
